

## Bizarre Beliefs Bouncer™

***Bizarre Beliefs Bouncer™*** arrives to bounce away other people's versions of reality that are not right for you. This is especially helpful for people who have been around others who are not only passionate about their beliefs, but determined to "win you over" to their way of believing. ***Bizarre Beliefs Bouncer*** is very useful for people who have been "brainwashed" by individuals or groups. Even when back in your own community, such experiences can linger in the recesses of your mind and require bouncing!

***Bizarre Beliefs Bouncer*** energy system assists you to release yourself from beliefs that are not in alignment with your inner self, your higher self, and soul. This “bouncer” is very effective at sorting and sifting through the currently held “as true” beliefs and bouncing away the ones that are not beneficial to you.

Please understand that this may be very different for different people. While there are some “Truths” with a capital ‘T’, there are others that are specific to the individual. This means that beliefs can be intensely personal and what is accurate and right to believe for one person would be devastating for another person to believe.

When you encounter a new belief, there is a decision that needs to be made within you. Do you accept this belief as true and take it as yours, or do you reject it. Many times a person will delay making that decision, assuming that the belief does not become theirs if they don’t claim it.

As this energy system may show you, it is likely that other people’s beliefs have been pushing inside of you, to be believed and these previously foreign beliefs may have taken root. You might not even be aware that some of the things you do believe now, are a result of an unclaimed belief wiggling its way into your subconscious and being turned to as a reference point by your mind.

Bizarre Beliefs Bouncer is here to free you from other people’s beliefs that have no place within you. This energy system will free your mind from the burden of beliefs that are incongruent with your core beliefs.

Please understand that if it is in your highest joyful good to be considering a belief as to whether it will “hold up” as “True”, that belief will not be bounced. It is your inner and higher selves, together with your own personality and soul who determines, in one accord, what bizarre beliefs need to be bounced far away from you.

Bizarre Beliefs that are not yours, truly can upset your inner balance. They can shake your faith and your hope in the future and life.

Some indicators that Bizarre Beliefs might be adversely affecting you are:

Difficulty maintaining inner peace.

Increased rolling fears that are unusual for you.

Remembering that a belief or concept you heard about seemed weird,  
then noticing changes in your night dreams  
or what you worry about.

Decrease of your usual strong faith after being around certain people.

Decrease of your hope for a prosperous and safe future  
after people asserting their life perspective and beliefs.

If you notice your plans for the future have changed based on someone else's  
fear for what may or may not happen.

If you've become pessimistic in regards to whether economic conditions will  
support your work and you used to not care what others' opinions were.

If you've had an experience where you were sequestered from the outside  
world and taught someone else's beliefs, and made to accept them.

If you went to classes or group meetings that initially were interesting and  
soon you started questioning your own beliefs  
and then started changing your diet, clothing choices and reading material.

If the new beliefs included giving over your power to others and letting them  
think for you, because they "know better than you" what is right for you  
in your life.

If your new beliefs isolate you from your community and family,  
causing you to give dedication to new people who make you  
give them much of your time and earnings.

If old beliefs are the bizarre and limiting ones, keeping you afraid.

An attunement or empowerment is a dose of energy frequencies that ‘match’ the energy of this Bizarre Beliefs Bouncer energy system.

Once you have received that dose of energy, your body and spirit will recognize that energy and easily access the energy stream from Eternal Sacred Source that IS the energy stream of this particular energy system.

Attunements can be sent long distance by means of an energy sphere, often called a chi-ball and it is kept safe by your Angels and guides of Eternal Light. It is released to you when you ‘call it in’, like a prayer to receive it.

Please spend a few minutes to invite the attunement your teacher sent you of Bizarre Beliefs Bouncer™, to release fully unto you. Simply say, out loud or in your mind: **“I ask to fully receive my Bizarre Beliefs Bouncer as sent out by my teacher and made perfect by Eternal Sacred Source, NOW!”**

Think of a ball of light and energy above your head that opens up and streams down into the top of your head.

Your attunement will easily arrive to you because Eternal Source is not limited by space or time. Bizarre Beliefs Bouncer™ energies arrive to your body and energy fields, assisting to protect your inner most sense of what is true for you.

When you are ready to receive assistance from your ***Bizarre Beliefs Bouncer***, recline and relax. It is important to remain in one location for between 10 and 30 minutes. If you happen to feel subtle energies you may get the sense of “something happening behind the scenes of your mind” while this energy system is active for you.

Say, audibly or in your mind: ***“Bizarre Beliefs Bouncer, Activate for me!”***

***When you give that direction, by speaking that affirmation, Bizarre Beliefs Bouncer will work in a very general, yet effective manner for you.***

If you'd like to lift up a topic, worry, fear or belief that you'd like the Bizarre Beliefs Bouncer to scan, please do so mentally directly after activating the energy. You may wish to repeat the activation phrase after each new topic or belief is lifted up in your mind.

By "lifting up in your mind", I am referring to the act of resting your mind, your thoughts lightly upon a particular topic, worry, fear or belief.

In this way you are directing and pointing your Bizarre Beliefs Bouncer at a particular area for it to attend to. This is a personal use only energy system, please don't activate it for other people without their permission. Beliefs are intensely personal and are to only be reviewed for dismissal or retained by the individual person.

**Benefits of Bizarre Beliefs Bouncer may include, but are not limited to:**

If you are a Reiki or Seichim Master Teacher, you can confidently send a Bizarre Beliefs Bouncer™ attunement in the manner which is most sacred to you.

Advise your student on the best way to receive the attunement you have sent out. Bizarre Beliefs Bouncer™ manual must be included fully intact with no changes when its attunement is provided.

If you are not a Reiki or Seichim Master Teacher, you can still pass along an attunement to Bizarre Beliefs Bouncer by following these directions and sincerely wanting to pass the attunement.

Please ask your energy team, your helping healing guardians in the Light of Eternal Sacred Source, to bring you a Sphere of Light.

It doesn't matter if you can see it or not. It doesn't matter if you can perceive it or not. Trust that the Sphere of Light is there and ready to hold a dose of the energy frequency of Bizarre Beliefs Bouncer™.

Activate and pray, asking for all of your helping healing ones in the Light of Eternal Sacred Source to send the Bizarre Beliefs Bouncer™ attunement for (name of student) into the Sphere of Eternal Light. Ask that it be sealed and carried to (name of student).

Ask that it be securely protected by that person's guardians in the Light of Eternal Sacred Source until the person 'calls in' their Bizarre Beliefs Bouncer™ attunement. Intend that their attunements release perfectly to them at that time. And so it is complete!

Now notify your student that their empowerment is ready to be 'called in' and tell them to relax and spend a few minutes receiving their meet and greet their Bizarre Beliefs Bouncer energies! Bizarre Beliefs Bouncer™ is an original energy system channeled by Rev. Mariah Windsong Couture, RGMT and is unlike any other or any system that may arrive in the future by anyone.
