Eternal Sacred Source is the name we use for that area of Divinity that is as far up and deep down as we can imagine! It is the loving, intelligent, sentient source of your creation and the creation of this multiverse (multiple universes). It is where we direct our reach when we want energetic sustenance for our soul and our physical embodiment. By the very nature of that description, it is going to have a different expression for each person.

This is a love universe. That means that the underpinnings, the matrix of this reality we see and know as Earth and Her environment is upheld by Love.

Eternal Sacred Source Empowerment™ imparts Liquid Love™ which, when activated, flows through each sentient being bringing forth light illumination in the form unconditional love.

Eternal Sacred Source is the eternal sacred energy of unconditional love which brings forth hope and infinite potential when we allow the energy of Eternal Sacred Source to infuse your aura. Limitations and perceived perimeters break down until they no longer exist, or expand to a higher level of consciousness.

Eternal Sacred Source Empowerment™ contains the entire spectrum of organic eternally living, loving, creative source from a place within Divinity that is past individuation. This unity is beyond an individuated personality.

This unity guides you on our path so you can live to your highest divine potential in both consciousness and action. This unity is eternal and your divine inheritance and right. This unity can be achieved in the here and now.

Eternal Sacred Source Empowerment™ will open divine expression in all areas of your life. Even your healings and attunements will now vibrate at a higher frequency.

Each person's divine expression is unique and Eternal Sacred Source Empowerment will help this expression come forth in the best way for you.

Many people, previously immersed in beliefs that have caused them to feel less than or unworthy will find a comfort and ability to know that they too have divinity within them. Eternal Sacred Source energy is the life energy that animates you and it is Eternal, Sacred and Divine.

It is very important to know what kind of energy you align yourself with. There are energies that are not in alignment with the eternal qualities of life.

Eternal Sacred Source is eternal life energy that will support you forever.

There is an aspect of ascension, or lifting up higher to the energy of Eternal Sacred Source. This is exaltation, and as we activate Eternal Sacred Source Energy will step into the flow of a higher vibration frequency in our life.

Eternal Sacred Source Empowerment™ will bring a higher frequency vibration to:

Healing

Meditation

Manifestation

Relationships

Faith

Realizing Life Purpose

Creativity

Love

An attunement or empowerment is a dose of energy frequencies that ‘match’ the energy of this energy system in general, and each function or empowerment specifically.

Once you have received that dose of energy, your body and spirit will recognize that energy and easily access the energy stream from Eternal Sacred Source that IS the energy stream of this particular energy system.

Attunements or empowerments can be sent long distance by means of an energy sphere, often called a chi-ball and it is kept safe by your Angels and guides of Eternal Light. It is released to you when you ‘call it in’, like a prayer to receive it.

Please spend a few minutes to invite the empowerment your teacher sent you of your Eternal Sacred Source Empowerment, to release fully unto you.

Your attunement will easily arrive to you because Eternal Source is not limited by space or time.

Your one empowerment, a dose of energy released into your aura and through your body gives you ease of access to as much Eternal Sacred Source Energy as is appropriate for you in each now moment. It will flow into your body and energy field, into all of who you are. You may or may not feel any sensations; it doesn't matter if you feel these subtle energies. They are effective no matter whether you perceive them or not.

Eternal Sacred Source Empowerment™ energy contains the full spectrum of eternal life creating, sustaining, repairing, revitalizing and renewing energies that exist within and emanate out from Eternal Sacred Source.

By simply a thought, after you've paused to receive your empowerment; this energy flows strong and sure unto you, your body, emotions, life and relationships.

If you are a Reiki or Seichim Master Teacher, you can confidently send an Eternal Sacred Source Empowerment <sup>TM</sup> in the manner of your choosing.

Advise your student on the best way to receive the empowerment you have sent out. Eternal Sacred Source Empowerment <sup>TM</sup> manual must be included fully intact with no changes when its empowerment is provided.

Eternal Sacred Source Empowerment <sup>TM</sup> may be passed if you are not a Reiki or Seichim Master by wanting to 'oh so very much'.  
Intention is powerful and will cause Eternal Sacred Source to respond!

Please ask your energy team, your helping healing guardians in the Light of Eternal Sacred Source, to bring you a Sphere of Light.

It doesn't matter if you can see it or not. It doesn't matter if you can perceive it or not.

Trust that the Sphere of Light is there and ready to hold a dose of the energy frequency of Eternal Sacred Source Empowerment.

Activate and pray, asking for all of your helping healing ones in the Light of Eternal Sacred Source to send the Eternal Sacred Source Empowerment <sup>TM</sup> empowerment for (name of student) into the Sphere of Eternal Light.

Ask that it be sealed and carried to (name of student).

Ask that it be securely protected by that person's guardians in the Light of Eternal Sacred Source until the person 'calls in' their Eternal Sacred Source Empowerment™ empowerment. Intend that their empowerment release perfectly to them at that time. And so it is complete!

Now notify your student that their empowerment is ready to be 'called in' and tell them to relax and spend a few minutes receiving their y manual.

Eternal Sacred Source Empowerment™ is an original energy system channeled by Rosemary Noel, RGMT and Mariah Windsong Couture, RGMT and is unlike any other person previously or any system that may arrive in the future.
